Autumn Way

Solo Cello

Program Note

Autumn Way, for solo cello, was commissioned by *String Poet*, an innovative online journal with a Studio Series hosted by the Long Island Violin Shop in Huntington, NY. *String Poet* ran a poetry competition and paired each winner with a composer commissioned to create music in response to the poetry. My piece was inspired by Richard Meyer's poignant and beautifully wrought poem, *The Autumn Way*. Suzanne Mueller premiered it on 9/23/2014 on the Studio Series. –JS
